

UNIT TWO: THE EARTH AND THE SKY

CHAPTER 1

THE EARTH

We live on the Earth.

The Earth is round like a ball.

The Earth is covered by land and water.

The Earth

Who lives on the land?

The Land

the water?

The Water

ACTIVITY:

Look at the picture of the Earth.

Color the land (marked L) **GREEN.** 

Color the water (marked W) **BLUE.** 

Is there more land or water? _____

Teacher's Note Before starting the lesson show the students a globe given at the previous page. Ask them to identify its shape. Tell them this is the shape of the Earth. Then ask them what they think the blue parts on the globe are? Praise them when they answer water. Ask them what they think the colored parts are. Then have them read the text. Tell the students that the Earth day is celebrated on 22nd of April each year and they will also celebrate this day.

Look at this picture.

What do you see in the sky at day?

In the day you can see the sun.

ACTIVITIES:

1. Draw the sun and colour it.

2. Name the things you see in the sky at day?

(i) _____

(ii) _____

3. Guess:

- I can be seen at day.
- I look like a big ball and shines very brightly.
- I give light to you and am very hot.

Who am I? _____

Look at this picture.

What do you see in the sky at night?

In the night you can see the moon and the stars.

ACTIVITIES:

1. Draw what you see in the sky at night?
2. Name the things you see in the sky at night?

(i) _____

(ii) _____

3. Guess:

- I can be seen at night.
- I am round like a ball.

Who am I? _____

4. Guess:

- I can be seen at night.
- I am shiny and twinkle in the sky.

Who am I? _____

Teacher's Note Ask the students to look at the sky tonight, then discuss it the next day.

END OF UNIT 2: EXERCISE

1. Answer the following questions: (Yes or No)

1. Do you live on Earth? _____
2. Do you see the sun at night? _____
3. Does the sun shine very brightly? _____
4. Is the sun very hot? _____
5. Can you live on the sun? _____
6. Do you see the moon at night? _____
7. Do you see stars at night? _____
8. Are there many stars in the sky at night? _____

2. Sing and learn the following poems.

Poem 1:

I see the moon
And the moon sees me,
God bless the moon and God bless me.

Poem 2:

Twinkle twinkle little star,
How I wonder what you are,
Up above the world so high,
Like a diamond in the sky.

3. Which sky you like the most? (sky at day/sky at night).

Draw the objects of your favourite sky in the box below and colour it?
